

Explore

Explore is a programme of talks, workshops and visits open to anyone with an appetite for learning. They run over 450 classes a year, led by highly regarded senior lecturers, writers and practising artists. Their programme includes:-

- art history
- practical art
- archaeology
- astronomy
- classics
- politics
- literature
- history
- mathematics
- music
- philosophy
- science and more

They're open throughout the day and early evening, Monday to Saturday.
