

Volunteers' Week Celebration Service

Come along to Newcastle Cathedral for a warm and welcoming Volunteers' Celebration Service at 2pm. Everyone is welcome — whether you already volunteer, are interested in getting involved, or simply want to give thanks for the incredible contribution volunteers make to our communities.

During the service, we'll hear inspiring stories from volunteers and the people and organisations they support, celebrating the diversity and shared purpose that volunteering brings across our local area.

Attendance is free, but we kindly ask that you RSVP so cathedral staff can plan seating and refreshments.

You're also invited to join us beforehand, from 10am–1:30pm, for the drop-in Newcastle Volunteer Opportunities Fair
