

Free Chorister Experience for Children (Years 2-5)

Do you know a child in Years 2–5 who loves to sing? Becoming a chorister at the Cathedral is completely free of charge and open to children from all backgrounds – with no prior singing experience necessary.

For this particular taster session, we are looking to encourage young singers who might be interested in joining our choir.

The fun-filled afternoon will include:

- Watching our choir sing in a service at 4pm
- Meeting current choristers and their families afterwards
- Taking part in a rehearsal for around an hour
- Enjoying pizza together

Registration is required through TicketSource so we can share important information with attendees before the event. Bookings close on Wednesday 3 June.
