

Bowmont House

Bowmont House is an Extra Care housing (assisted living) scheme for people over 55 years old. Care staff are on site 24 hours a day. They offer care and support to help you live independently in a flat. Social activities, GP clinics, nutrition workshops, and exercise programmes are also available.

This service is ran by Comfort Call and is part of **Bernicia Homes**, a social housing provider in the North East.

This organisation is commissioned by Newcastle City Council to provide assisted living services
