

Refugee Week Coffee Morning

Come along to Coffee Morning this Refugee Week to celebrate The NewBridge Project's new status as a Gallery of Sanctuary. The award recognises the collaborative and long-running work NewBridge do to actively support asylum seekers, refugees, and others with lived experience of forced migration.

Coffee Morning is our friendly, weekly drop-in for people who live, work in or are visiting Shieldfield. It's a chance to meet others, have a chat, and enjoy free hot drinks and snacks in a relaxed setting.
