

Basic Computer Training

A brilliant course, supporting you to develop basic computing skills, to help you access and use the internet.

You will develop your confidence in using computers, with excellent feedback from previous courses. Learn how to use a computer, send an email, search the internet for information and attach photos and your CV to emails, etc

It's a 2-part course: you must attend both sessions to complete the course

Tuesday 14 July, 10.00am – 12.30pm

Tuesday 21 July, 10.00am – 12.30pm
