

Gigantic Bubble Fun

Bubblemania comes to #NOVUM26

Bubbles bigger than your head. Bubbles longer than a bus. Bubbles everywhere!

Get ready for a joyful explosion of giant bubbles, colourful chaos and bubble-filled fun. Watch as incredible bubble artists create enormous rainbow bubbles, floating bubble clouds and wobbly bubble creations that seem almost too big to be real.

Expect plenty of laughs, wow moments and audience participation as bubbles swirl, float and dance through the air.

Then it's your turn! After the show, grab a giant bubble wand and see what amazing bubbles you can create yourself with a bubble artist.

Perfect for anyone who gets excited when they see a bubble floating by.
