

Basic Computer Training

A brilliant course, supporting you to develop basic computing skills, to help you access and use the internet.

You will develop your confidence in using computers. Learn how to use a computer, send an email, search the internet for information and attach photos and your CV to emails, etc

This is a two-part course: you must attend both sessions to complete the course.

Tuesday 20th October, 10.00 – 12.30pm

Tuesday 27th October, 10.00 – 12.30pm
