

Beyond the Page: Discover Your Library

Newcastle Libraries' Reading for Wellbeing Team is launching their new initiative 'Beyond the Page: Discover Your Library'

Beyond the Page is a new **FREE** library programme to help folk take the first step to discover everything their local library has to offer.

Whether you read a lot, haven't read a book for years, or don't think reading is for you, you're welcome here.

Join this informal launch event featuring:

- A first look at the Beyond the Page programme
- Short taster activities and demonstrations
- Opportunities to meet staff, participants and partners
- A chance to share your ideas and help shape future activities

The event is **FREE** but please book your place on Eventbrite.

If you have any queries or accessibility needs please email readingforwellbeing@newcastle.gov.uk
