Early Words Together

Join for stories, rhymes and fun creative activities!

Would you like to:

- Help your child learn?
- Get ideas for free things to do?
- Help your child feel confident in talking?
- Spend special time together?

This new group at Byker Sands Family Centre is for parents and carers of children who are 2 years old.

It is a space to have fun with your child and also encourage their speech and language skills.

This group runs for 5 weeks, excluding school holidays.
