Pride at Christmas Featuring Northern Proud Voices

Having proudly celebrated its 15th anniversary this year, the North East's largest and only LGBTQ+ and allies choir returns to the cathedral for a joyful evening of Christmas songs, festive favourites and specially selected seasonal readings reflecting on the Christmas story.

Stay afterwards to network in this beautiful sacred setting and soak up the festive atmosphere.

Tickets – Give as you Feel (suggested donation £10) – please book in advance via the Cathedral website.
