Community Drop In

Your Voice Counts is holding a community drop-in event in Throckley Community Hall.

Go along to meet their Advocacy and Communities teams, find out more about their work, explore volunteering opportunities and share ideas about how we can shape services around what matters to local people.

They're keen to connect with residents, community organisations, professionals and anyone interested in the work of Your Voice Counts.

Everyone is welcome and there's no need to book, just dop in.
