

Jointly

Jointly is a mobile app and online tool to help people looking after someone. This can be used by groups of carers to keep in touch about the person you care for.

You can download the app for to use: group messaging, to-do and medication lists, calendar and more. Jointly works on iPhone, iPad, Android devices and on most modern web browsers (home computers, laptops, smartphones, tablets etc).

This service is provided by [Carers UK](#).
