

Huntington's Disease Association

The Huntington's Disease Association is committed to supporting people affected directly or indirectly by Huntington's Disease. In Newcastle there is a branch run by volunteers who meet once a month to provide support to families. Branch meetings offer the opportunity to meet other people who are affected, listen to speakers on relevant topics, and become involved in fundraising. They also offer a Specialist Huntington's Disease Adviser who can provide information and support to families and training and information to professionals working with people affected by Huntington's Disease.

Branch meetings are held on the first Sunday of every month at:

Walkergate Park
Benfield Road
Newcastle
NE6 4QD
