Jesmond Community Festival

Since 2005 Jesmond Community Festival has been an annual showcase for the wide range of community activities taking place in Jesmond.

There are events for everyone, including music of all sorts, from classical to folk and jazz, talks on a wide range of subjects, walks, a cycling “tour de Jesmond”, food, opportunities to try out activities, dance, photographic and garden competitions, exhibitions and lots more!

Many events are free, and there are venues all over Jesmond, many close to Metro stations or bus routes.
