

St Anne's Community Services

St Anne's Community Services offers flexible care and support service to meet individual needs. Service include supported living and support in your own home. They support people with:

- learning disabilities
- physical disabilities
- mental health issues
- complex needs

to meet their goals, maximise their independence and improve their emotional and physical wellbeing.

They will also support people to attend their appointments and manage their medication.

This service is commissioned by Newcastle City Council

Last updated: January 22, 2024
