Springfield Healthcare (Newcastle)

Springfield Healthcare supports people with home care and independent living. They support adults over 65 years and children from 0 to 18 years with:

- mental health needs
- eating disorders
- physical disabilities
- substance misuse
- dementia
- learning disabilities and autism

They can help you to:

- get up, washed, showered or bathed (including breakfast)
- get ready for bed and ensuring your property is left safe and secure
- overnight sleep in or waking support
- support with laundry, ironing or to just keep your home clean and tidy
- meal preparation with you or for you
- shopping, such as, helping you to make a list and going to the shops for you
- support with social activities, such as going out for a walk, attending appointments, visiting family and friends or attending a day centre

They also offer more tailored support for children 0 to 25 years and adults from 25 years +

They are registered with the CQC and inspected for their personal care service. You can read the full CQC report and rating below
