George Street Social is a coffee shop and dry bar. It's a safe place for people recovering from alcohol, drugs and other addictions. It's a social hub for meetings as well as workshops, training, yoga, dance, mindfulness or music.

You can stop by and enjoy a game of pool or just a natter with friends or make new ones. They hold 12 step meetings upstairs including [Alcoholics Anonymous \(AA\)](#) and [Narcotics Anonymous \(NA\)](#) every day, 7 days a week. There is also a SMART meeting and other fellowships that meet there. Check out the 'looking for help' page for more details.
